

500 EAST 26TH STREET
TUCSON, ARIZONA 85713
(520) 628-1951

RELEASE OF LIABILITY

Utilities - It is not always possible to locate pipes, wires, conduit, and other underground or hidden utilities. We cannot accept responsibility for damage to or breakage of these items.

Carpeted Areas – Due to the age of carpets and pads, it is not always possible to replace carpets in their original condition. If carpets must be removed in order to treat cracks, the removal and replacement of said carpets is the responsibility of the homeowner. Extra charges will be applied to the owner.

Tile Floors – Drilling of tile (asbestos, vinyl, or ceramic) floors is unpredictable. Tile may crack or chip. Patching of drill holes will be discernible. Treatment at owner's risk.

Slabs and porches – Due to aging of concrete, colors of patches will vary from the original material.

This document expressly releases B.D. Burr Corporation dba Burr Exterminating from responsibility to repair, replace or otherwise restore damages resulting from the termite treatment process. Without this signed release, we will not be able to proceed with treatment, and are released from further obligation to treat said property. Any dispute of the conditions listed above will not relieve payment due. Terms and conditions are stated on invoice will prevail.
